Agreement to assign

IF YOU HAD A SHARE ACCOUNT WITH THE SOCIETY ON 31st JANUARY 2000 AND HAVE KEPT A SHARE ACCOUNT EVER SINCE THAT DATE, THE WORDING IN PARAGRAPHS 1 to 3 BELOW DOES NOT APPLY TO YOU. PLEASE LIST YOUR SHARE ACCOUNT NUMBER(S)

1 By applying to open a share account on or after 1st February 2000 I agree with the Society and the County Durham Foundation ("the CDF") that I will assign to the CDF (or to any charity(ies) nominated by it or by the Society under the provisions of a deed dated 31st January 2000 between the Society and the CDF, in which case references to the CDF shall include references to any other charity(ies), but to no other person) the rights to any relevant conversion benefits (defined below). This obligation will not apply to me if I fall within any class of persons which, as at today's date, the Society wishes to be excluded from such obligation. This agreement is irrevocable and authorises the Society to transfer to the CDF any such benefits without further notice to me. I understand that neither the Society nor the CDF will release me from this agreement or vary its terms and (except as set out in paragraph 2 below) I will continue to be bound by the above condition even if the Society decides at some time in the future (and announces any such decision by press release) that it is no longer in the best interests of the Society to continue with the above assignment condition generally in respect of new members.

2(a) "Relevant conversion benefits" means any benefits to which I might become entitled as a shareholding member of the Society under the terms of any future transfer of the Society's business to a company (i.e. on a conversion or takeover) which is completed at any time within the five years immediately following the date on which my share account is opened (or, if applicable, the shorter period as set out in the list available from the Society's Secretary). "Relevant conversion benefits" does not include the statutory right to have shares in the Society (including any balances on share accounts) converted into deposits with the company on a conversion or takeover.

2(b) If the Society merges with any other society, after the date of such merger the "Society" includes such other society.

3 I authorise the Society to pass to the CDF such information relating to me and my accounts with the Society as the CDF may reasonably require in order to administer this agreement to assign and the relevant conversion benefits and for no other purpose. I consent to both the Society and the CDF holding and processing such information for such purposes.

A list of the classes of persons which the Society currently wishes to be excluded from the obligation to assign or in respect of which a shorter period applies (which list may change from time to time but not with retrospective effect) is available on request from the Society's Secretary at its head office.

The UK government has signed, and will be signing, a number of inter-governmental agreements to share tax information, where applicable, with the tax authorities in other countries. The requirement to collect certain information about each customer's tax arrangement is part of UK legislation and as a financial institution we are legally obliged to collect it. We are asking for your tax residency and tax ID numbers (where applicable) and will record this on our records now, but will only disclose this information to the relevant tax authorities if and when we are required to under UK law.
